South Carolina Council Journal April 7, 1752.

" Read the petition of William Ingram, humbly setting forth that the petitioner came into this Province from the Northward last year and began a settlement on the north side of the Wateree River, having built a house and cleared ground for planting, where he hopes your Excellency and Honour will confirm him in the said land - - - That petitioner has a wife and ~~four~~ four children for whom nor yet himself he never has had any grant."

The above was duly granted in amt. of 200 acres on Beaver Creek in the present Co. of Lancaster S. C., near Wateree River adjoining a tract granted to William Harrison in 1748 - William Welch had a grant adjoining his in 1762

This William Ingram had wife Mary M. Ingram - Of the 4 children, Alexander Ingram who d. testate then - 1797 mentions in his will his mother Mary M. Ingram. Of the other three we think two of them were James + John.

William was born - about 1700 to 1710 - d. about 1785-90 -
Mary M. " " " " 1700 to 1710 d. 1804 -

This William must have been son of Roger and Mary M. must have been daughter of Benson Markes who died in S of W. Co. Va. 1737. In her will Roger Ingram was the care for her children.

I will see if I can find any connection
with your father

Have made a thorough search of
old wills, deeds & marriage bonds in
Granville County with enclosed results.

As you see your John Ingram of
Brunswick bought land in Gran-
ville 1757 but found no disposal
of it. Orange County was partly
cut from Granville & you see
they appear there. Probably a search
of those deeds might give helpful
clues.

I will be glad to make a trip
to Lurinburg & Mecklenburg Co. which
adjoins Brunswick & find all
these. Can go forth including both
counties as I have work there for
other clients & can divide expenses.

There is a reference in this data to
a Andrew Ingram in Cumberland

Ingram

Taken from D.A.R. Magazine July 1925 Number.

Included in the wills of Brunswick Co., Va. is the will of John Ingram on Mar. 3, 1762 and wife, Hannah; children: James, George, Joshua, Jesse, Richard, Benjamin, Joseph, Samuel, John (deceased), Elizabeth Vaughn, Tabitha Gee, and grandson Jeremiah (son of John, deceased).

The will of James, May 18, 1770-1770, to his sister, Tabitha Gee, Admx.

The will of Joseph, Oct. 2, 1793-1793. His children: Isaac, Joseph, Charles, Williams, Mary Mainyard, Grace Walton, Francina Ferguson, Anney Branscomb; and children of second marriage, Salley, Patsey, Winney.

The will of Benjamin Ingram, Jan. 28, 1794-5. Children: Charles, Benjamin, William, Pressley, John, Mary Ann, Mary Harper, Elizabeth Parram. (Parham)

I judge that one Mary in this last family is a step-daughter.

Since the wills of only three of John's children are given, ~~then~~ the others moved away, died, or were killed during the War.

My ancestry is as follows:

Dear Mrs. Chapman:-

At last I am send-
ing your check off to
for your line work &
thank you very much!

I consider my work
on family just a start
& a line start for the
family had well for-
getting the back & not
any of them so well
as my parents &
grandfather & mother.

But while my cousin
in Dallas does not much.

you ask me in a magazine in
 January if it was all from M. & H.
 I certainly can get it but I wouldn't
 if you get it in future.
 This little case will be in summer
 & enjoy going through my data
 & I don't enjoy it.
 It had much more than a little
 data on Christopher Brown & must
 be put in. I don't know he died 1768
 & I have record he died 1768
 & James A. Childs says 1778. Can you
 help me on my data about him?
 I am sure I will be getting
 you soon & any help you
 may give let me know cost.
 A descendant of James Brown
 so wanted help on genealogy.
 I thought I would let to you.
 Thank you so much for
 your good work. James Brown

Mrs L. L. Chipman,
Smithfield, Va.

Dear Mrs. Chipman; - I've advanced quite a lot since I last wrote you concerning my Ingram grandfather; but I do not think I am yet quite far enough advanced to get into your territory, in Virginia -

I desire to tell you however, my findings - The history as far as I've gone is that my great-great grandfather was Shadrach - who married Ruth White in Union Co. S.C. Fairforest Church, July 19, 1778 - He entered army soon thereafter - fought at Cowpens - Kings' Mountain - Hanging Rock etc. - Sold his land in Union Co. S.C. 1799 - Next I find him in Franklin Co. Ga. 1813 - next in Hall Co. at its formation 1819 - died in Hall Co. Ga. Sept. 1827.

John & Ruth had among other children, -

1 Elizabeth Ingram - married a Riley - went to Ga.

2 — Ingram — " a Keith " " "

3 Martin Ingram - m. Nancy Park - Franklin Co. Ga. Feb. 1817

4 (Edw.) Tilmon Ingram - m. Elizabeth Dolynple 1815.

① Martin Ingram - born 1816 -

② Isaac Ingram born 1818.

③ Tilmon Ingram born 1834.

5. John Little Ingram - born Union Co. S.C. 1778 - m. Miss Gyle
① Miss A. Little

① Isaac Ingram born 1816 -

② Rebecca Ingram " 1818

③ - Tilmon Ingram - born 1822 - m. Mary Horkins in Coweta Co. Ga. 1843

This last named Tilmon Ingram was father
of these boys. -

James Robt. Ingram. 1855 to 1923 -

John Tilmon Ingram 1856 to 1909

William Howard Ingram (my father) 1852 to 1923

and this Tilmon Ingram was my grandfather.

I have a check on the line up to and
including John Ingram who m. Ruth White in
Union Co. S.C. July 19, 1778. It's my belief that
John was a native born son of S.C., I'm
expecting his father to be a Virginian or from
Penn. - If I find him from Va. I shall
need your help. - But how can I find who
was father of John?

Yours truly,
J. C. Ingram.

Shreveport La

Feb 15--39

my dear Mrs Chapman,

For years I have been trying to find the parent
 of my John Ingram who m. 1778 Ruth White Union Co. S.C.
 born about 1755- she was born 1757-

You have done some work for Mr J.C. Ingram of
 Trinity Texas and I like your work very much. I
 hope that you can help me while I am in Washington
 in April at the D.A.R. Convention, I wish to work
 a week on all my lines to finish them back to 1750.

First I wish the names of wives if possible of George,
 Jesse, Joshua, Richard, and Samuel sons of John & Hannah Ingram
 of Brunswick Co Va. I believe perhaps he may be son of one
 of these, for Tabitha runs through Francis J. Ingrams family who
 is certainly son of our John, for Zilman runs through his
 and ours too, one in every sons family, about 5 in each family
 of Francis J's ~~family~~ deces, and that many in ours I believe.

I notice in Geo. Ingrams will favor ch. John, Tabitha, Je
 and Nancy Richmond Co N.C. then Ansoff Co.
 and two others (I cant find my record tonight) about 1775

2/ Geo. Ingram had grant for 300 a. in Mecklenburg Co. N.C.

1774-5- (Raleigh N.C. land grants Book 26 p. 49)

also had a grant for 136 a. headright grant in Jefferson Co. Ga
in 1805 so this must be another George in Ga. and

300 a. in 1819, 36 acres in 1819 all ~~three~~ Ga.

Mecklenburg Co. ^{N.C.} Wills give these

1791 Oct, James Ingram, wife Mary, ch; Walter, Priscilla, Vashal, Clay
Benjamin & John.

1797 John Ingram, niece Sally Sinclair, Esther Worthington, & Robt. Harris from

1782 Abner Ingram, ch. Samuel, Eliz, John & Zeechab.

1775- Thos. Ingram, wife Mary, son Wm, daug. Leah Johnson.

1772 Joshua Ingram, ch. Joseph, John, & George, in Warren Co. N.C.

From your records of Isle of Wight Co. Va.

1720 John Ingram of Upper Parish to son Roger, son John, daug. Eliz
and son Wm - Exec. son John, with James Byland, etc, Dec 21-1720.

1773 Roger Ingram, wife Eliz. eldest sons John & Roger (to go. all my troops are
sons Richard, Wm, daugs. Eliz. & Sarah, etc, Mar 12-1733-4

1737 Jeremiah's will names bros. including John, Joshua, & Isaac,
Capt. Little in New Eng. Trustee, dates etc, this seems like our

family for we have 4 Little Ingrams in our family and I am
looking for a Tillman or Little ancestress.

3/ June 23, 1744 Indenture of John Ingram & Joe Exum, 100 acres
of land in Nottoway Parish Va. etc.

Apr 19-1732 between Wm Johnson & John Ingram of Isle of Wight, etc
~~Brunswick Co.~~ names Wm Ingram to sons John & Wm after death of
wife, between 3 sons & 3 daugs Southampton Parish, etc, not dated.
Brunswick Co. John Ingram Sr & wife Ann, etc, names John Jr. Witt,
dated Aug 9 - 1765-

1727 Indenture. between John Ezell & John Ingram of Orange Co. Va.

1781 John Ingram Sr. sons, Thos, Moses, John & daugs. Mary, Sarah, Nancy,
Betty & Betty, gr. sons Henry & Benj, — gr. daug. Eliz. etc, Mar 31-1781

The Indent. of Mary Eaton & Robt Jones Jr. naming Col. Nath. Edwards who
m. Jane Eaton, I have the will of Wm Eaton whom I am
(1769 N.C.)
tracing one daug. Ann m. Andrew Haynes, names Eaton Haynes Jr.
I wonder if it is the same man, he was from Va. to N.C.

I have other Johns of Port Belles (Porto Bello) etc. and
the one who m. Eliz. Kirby and came to S.C. had 7 sons in Rev-
This John was son of Wm & Judy (Meady) Ingram from Eng. settled
on Pee Dee in S.C. and he seems to me the best bet.

So you know the parents of Capt Edwin b. 1751? also brother.
Some desc. says "Red head" Joseph Ingram

4/ ~~He~~ fits in as a bro. of my John b. 1755 - (about)

Swish I could find names of all of the ch. of John & Eliz. Kirby of Bee See section for he was nearest my John.

I also have another John who m. Mary Avery, had Thos, Wm, John, & Isaac, and 2 daug. S.C. ~~also~~.

Son Thos. m. in 1771 Rebecca Bussey had son Tobias.

Did you ever know as many Johns in one family as this one?

I have deeds, grants, and Rev. Ser. few pension applications of N.C. & S.C. Ingrams, also a Wm Ingram asking for grant in S.C. in 1751 on "the north of the Wateree" saying he has cleared land, made a crop has a wife and four ch. and has never asked for a grant before, and that he came from the northward Country.

Write me my chances of your locating my John and your prices please, I am so anxious to complete this line for I am holding Col. Dams blanks for some time and I have this one nearest completion, however some of ^{others} ~~these~~ might be easier completed.

Sincerely

Mrs E.D. Holcomb

Groveton, Texas,

Dear Mrs Chapman:-

As I told you before my earliest ancestor
of whom I know was William Ingram who settled on north
side of the Potomac River in South Carolina 1751 - His
300 acre grant was adjacent to William Harrison's
grant which was given to him in 1748 -

This leads me to believe that my William Ingram
followed William Harrison (possibly his cousin)
from Southampton Co. or Isle of Wight Co. to the Province
of S.C., -

In his petition William Ingram stated in the early part of
1752 that he had gone into the Province of S.C. the year
before - that he had come "from the North
Country" - had a wife & 4 children - none
of whom had as yet received a grant of land -
The 300 acres were granted to him.

I find his wife was Mary M Ingram - and a son
who died testate there (in Lancaster C.S.C. 1797) - and I feel
sure two other sons - John & James - my great great grandfather
was John Ingram Rev Soldier of Union C.S.C. born 1757 - died 1828 in
Ga. - He was a grand son of the William who settled on the Potomac
in 1751 -

There were very - very few William Ingrams in Virginia
in 1751 - I believe none in N.C. - only three or four in Va. -

There were others who I believe came from Va.
to S.C. & settled near Wm. Harrison & William Ingram

on the Wateree River - in what is now Lancaster & Kershaw
Counties - There were the Lowe family - The W^hite family -
the Jones family - (William Jones and Loving Jones) - The
Jennings family - all of whom were close to the
Dycom family - S.C. & I believe also in Va -

There was a Samuel Dycom who came to these S.C. Dycoms
in 1785 - I find him in Lancaster Co. 1785 - and across
the river near Camden S.C. in 1790 - He was buying
land from John Dycom, I think son of Wm. of Wateree
This Samuel Dycom. Rev. Soldier went on to Ala.
where he died - He was son of John Dycom
and Eliz Kirby who had 7 sons in Rev. War. among
whom were Capt. Edwin who m. Mary Montgomery
in N.C. - and Samuel named above - This John who
m. Eliz Kirby was son of William Dycom of Southampton
Co. Va. who married Mary Stafford. His last
named William Dycom died - Southampton Co.
Va. 1758 leaving sons - John and William -

I believe this last named William was the
one who went to S.C. in 1751 and settled on North
side of Wateree River - He must have
been great grand son of Roger Dycom (1669)
who possibly was the immigrant to Esley Wright Co
Va. about 1750 to 1760 -?

Yours very truly,
John C. Dycom

Dear Mrs. Chapman:-

Some time ago I wrote you about the Isle of
Wight County, Virginia, Ingrams - 1669 - Roger Ingram & his descendants.
How can I learn more of these early Ingrams? Can
you tell me who can help me? I believe
my g.c. ancestor 1751 was of the Isle of Wight Southampton
group.

Will you please tell me who might be in
position to aid me? Do you have
copies of your searches of the Virginia Ingrams?

Yours very truly,

Dear Mrs. Chapman:

Your Ingum file reaching me several days ago -
Due to rush work I was unable to get to look it over for several
days. To-day I checked over it. I was familiar with
practically all of it but one item was new to me -
which I quote: -

Isle of Wight Co., Va. - Book III - p. 35 -
Susannah Macker - daughter

Mary Macker - da - Ann - da. Susannah - Is the child
I now --? with - Is my eldest and 3 youngest - Then leg-
to my eldest - apparently Roger Ingum & William -? - Essex,
Roger Ingum to take care of my children - June 12, 1737
Jan. 28, 1737 (3)

Susannah Macker -

Elizabeth Welch -

In my opinion the above is first class evidence that
William Ingum who went to the province of S.C. 1751 was
son of Roger Ingum of Isle of Wight Co. and married this
Mary Macker in about 1737-8 - It will take more
work of a genealogist to prove it but I think it can be
proved -

There was a Wm. Welch who located in Lancaster Co. S.C. on land adjoining
that of Wm. Ingum - (See Elizabeth Welch's name as witnesses on
above -) William Harrison had land located 1748 adjoining
William Ingum - wife of William who was probably daughter,

Mary Ingum died on Aug. 4, 1778, land in Lancaster Co. S.C. to William
Jones - 50 acres on Hanging Rock Creek being part of 100 acres granted
to her April 3, 1786 - by Gov. Wm. Moultrie, Esq. She signed her name
to the deed - Mary M. Ingum - There was a Living Jones there too &
I believe these Jones were their kinsmen & from Isle of Wight Co. & Southampton Co.

There was a Richard Kirby Jones in Isle of Wight - Southampton - Va. & Southampton
Co. N.C. related to the Dygones -

North Carolina History States that William Dygrom in very early
days of Southampton Co. Va. married Mary Moody. That they had a
son John Dygrom who married Elizabeth Kirby their only
niece to Anson Co. N.C. This John & Eliz. had several sons in
Rev. War. among whom was Edwin Dygrom who married a da. of Hugh
Montgomery of Anson Co. N.C. Another brother of Edwin was
Samuel who lived in Lancaster Co. S.C. near old William &
his family is reported to be coming from the North County in 1751 -
They must have been kinemen. There was a Richard Kirby
there in Va. (I of W. or Southampton Co. related to the Dygones -)

The William Dygrom who came to town of S.C. 1751 from
the North County was my ancestor. He was born possibly
1700 - 1710 - died sometime about 1785 to 90. in Lancaster Co. S.C.
His wife Mary M. died 1804 - His children must have been
born about 1740 because -

I. John Dygrom Rev. Soldier of S.C. born 1758 - married Ruth White 7-19-1778 - d. 9-11-1828
was my ancestor & grand son of William and Mary.

I have been unable to find any William Dygrom in N.C. for only
no Dygroms at all previous to about 1725 to 1730 - So it is very
doubtful that William Dygrom was born in N.C. 1700 to 1710 -
but was born either in Isle of Wight Co. or Southampton Co. Va. - and
very likely married the Mary Moody, eldest da. of Susannah -
who was reared & cared for by William's father, Roger Dygrom,
as per the will of Susannah in 1737.

But there being so many Roger Dygroms there it appears to me that
it will require extensive genealogical work familiar with
history of Isle of W. & Southampton County - Thanks for the loan & for the
recommendation of the genealogist - When the War is over I shall
contact you again & also see if you do not wish to do the
work for me -

Sincerely yours,
John L. Dygrom -

Mrs. L. L. Chapman,

Dear Mrs. Chapman;

I again thank you for mailing me your Dugrum file - There was one item among these data which supplies first class evidence that my ancestor William Dugrum who located in the present County of Lancaster in (the Province of) South Carolina in 1751, came from Isle of Wight only/or, Southampton Co Va. + possibly Northampton Co, N.C.

That item opened the field for me for further search among the I, & W, Records; but due to the War I will not be able to have the search made now. But when the War closes I will be contacting you again concerning the search.

In the meantime I should like to know the name of this Susanah Macker (or was it Macker - or Mackie - or Macker?)

Your notes: - "Isle of Wight Book 3 - p. 35 -

Susanah Macker - daughter Mary Macker - da. Ann -
da. Susanah - To child I g--(?) with - To my four eldest
and three youngest daughters - Then by the eldest - Appoint
Roger Dugrum to take care of my children - Here, Roger
Dugrum and William? - - - June 17, 1737

With: Susanah Macker 11
Elizabeth Macker -
- - - - -

Aug 28, 1727 (This 1727 may be error?)

I could not make out all of the above notation on the name of Susanah Macker - I would like so much to know exactly how that name was spelled - Could you write down again the exact words of the above note and return to me?

I believe this Susanah (whatever her surname may have been) was my ancestor's because of the following interpretations: -
While Roger Dugrum (son of John of Upper Parish who d. 1720) having charge of rearing the children of Susanah - only Susanah having ~~the~~

2
oldest daughter by name of Mary Mosker, ^{born about 1720} and, also, I
assume this Roger had a son William born about 1715 to 1720 -
This William married Mary Mosker only in 1751 they with their
four children went to the province of South Carolina where
they received in 1752 a tract of land of 200 acres on N. side
of the Wateree River, on Beaver Creek - in present County of Lancaster,
S.C.

The Wife of William Ingram of Wateree River in S.C., bought land
in about 1784 in Lancaster Co. sold it 1785 to William Jones
signing her name to all deeds as Mary M. Ingram -
I believe she was this Mary Mosker -

In settling in S.C. in 1751 William and Mary M. located
their 200 acre tract adjoining tract of William Harrison -
and in 1762 William Welch was given a tract of land
joining the tract of William Ingram - The Harrisons and the
Welchs were in I. of W. in 1737. They must have been
pioneers of William & Mary M. Ingram - also, you will
note that Elizabeth Welch witnessed the will of
Susannah Mosker in I. of W. 1737 - The above facts
lead me to believe my William & Mary M. Ingram of Wateree
River, S.C., 1751 went there from I. of W. Co. Va. - probably
stopping along the way over a period of years in Swampton Co. Va
and Northampton Co. N.C., etc. - -

If I am correct in my conclusions the above facts call
for more search later to prove the facts - But for the
present what was the correct spelling of the names -
Susannah Mosker and her daughter Mary Mosker?

As you probably will recall, Mr. Summitt, a N.C. local
historian in Onslow Co. N.C. states that William Ingram married
Mary Stratford - that this William & Mary had a son John Ingram
who married Elizabeth Kirby and lived in Northampton Co. N.C.,
later moving to Onslow Co. N.C. that this Elizabeth was the
daughter of William Kirby and Judith Moorley - that this

3

John Ingram & Elizabeth Kirby had seven sons, & sons of Rev. Mr.
1726-81 - That John died on Puddled River, Union Co. N.C.

Among the 7 sons of John & Elizabeth were Capt. Edwin
Ingram of N.C. who m. Nancy Montgomery - da. of Hugh Montgomery
another son of John & Elizabeth was Samuel
Ingram who in 1785 was living in Lancaster Co. S.C. with
the children of Mary Welliam & Mary M. Ingram.

Of course I realize my declarations are subject to revision
but I believe it is about as follows; -

I. Roger Ingram - d. of W. 1669 -

II. John Ingram of Upper Parish - d. of W. married Sarah Jennings ^{died 1728 testator}
Sarah later m. John Locke and ^{later} also Philip Wheldon in 1724 -

III. Roger Ingram who cared for children of Sarah Mather 1737

IV. Parkway Miller Ingram who m. Mary Mather -

V. John Ingram -

VI. Elizabeth Ingram

VII. William Ingram - Probably one who m. Mary Stratford - died 1758

VIII. John Ingram Probably who m. Elizabeth Kirby

~~IX~~

II. Roger Ingram - died testator 1728 - married Elizabeth - ? -

III. John Ingram -

III. Roger Ingram who I believe died probably unmarried 1743 -
as he married his sister's da. ^{his first daughter} in the will - Ann Shelby

III. Richard Ingram -

III. William Ingram who I believe married Sarah Atkinson da. Thos. Atkinson

III. Elizabeth who married Thomas Shelby & had da. Ann Shelby

IV. Sarah who married Benjamin Hodges -

But the two above Roger Ingrams were living in 1737 when Sarah Mather's
will was offered for probate, I believe the Roger Son of Roger was
not the one mentioned by Sarah to care for her children -
Else he would have mentioned that fact in his will
in 1743. Therefore I conclude Roger son of John of Upper Parish
was the father of William Ingram of Watlee River S.C. 1751 -

Many thanks to you -

Yours very sincerely,
John C. Ingram -

Mrs. Lewis L. Chapman,

Dear Mrs. Chapman:-

For several years I have been tracing my Ingram ancestors. In 1934 you stated that you might be able to help me after we got into Virginia - I think we are there now.

In 1751 William Ingram went into the province of S.C. - He stated he had come from "the North County" - which I believe was Virginia - He said he had a wife & 4 children etc. - I now know his wife's name was Mary M. Ingram - one son was Alexander Ingram who died testate in Lancaster Co. S.C. 1797 - I feel sure two other boys were - James and John - This William Ingram must have been born very near the year 1700 - and he died in Lancaster Co. S.C. 1785 to 1791 - His boys must have been born about 1730-40 -

(J. John Ingram of Union Co. S.C. 1757-1828 was (I'm almost positive) a grand son of this William & Mary and was my gr. gr. grand father -

I believe this William Ingram was born in Southampton Co. Va. (Possibly in Allegheny Co.) and went direct to Cranen Co. or Camden Dist. S.C. in 1751 -

There were very few William Ingrams in Va. in 1750 - only 4 I'm finding - and

there were so very few Degrums in N.C. 1750-
that I believe probably only two families
of them at that date - Joseph from Culpepper
Co. Va. to N.C. - and John who married
Elizabeth Kirby and from Southampton Co. Va. to N.C.
probably about 1733-40 -

So my ancestor William must have
been from Southampton Co. Va. or from
Isle of Wight Co. -

There was a William Degrum in Southampton Co.
Va. 1758 - His will was opened for probate
there in 1758 - He had 5 children - Three
boys & two girls - Two of the boys were,
John Degrum & William Degrum - Is it
possible that my ancestor William Degrum
of S.C. 1751 was son of this William who
died in 1758?

There was Wm. Degrum of Southampton Co. Va. who
married Mary Fitzgerald - They had John who
married Elizabeth Kirby and went to Northampton
Co. N.C. and on to Anson Co. N.C. This John
had son ~~William~~ ^{Reverend} Rev. Soldier who was
living in Lancaster Co. S.C. - Pickens Dist S.C.,
and trading on horse with sons of William
Degrum ^{in 1783-85} ~~DEED~~ They must have been prisoners.
I would like to tell you

more reasons why I believe my
William Ingram of Camden Dist. S.C.,
1751 - was from - Southampton Co. Va.

Could he have been a grand son
or great grand son of Roger
Ingram - the immigrant of Isle of Wight
Co. Va. 1669? I do not think
he was from Brunswick Co. Va. - But
there were in Augusta Co. Va. in 1751 -
54 - a William Ingram - an Alex.
Ingram and a John Ingram -
So my William may have come
from Augusta Co. Va. to S.C. in 1751 -
y't I believe the latter doubtless -
I would like to hear from you

Yours very truly,
John C. Ingram.
